**Special Announcement:**

**June Network Pulse Survey Recap**

Thank you to everyone who participated in our second CTFB Network Pulse Survey last month. The information you provided is very valuable and helps us coordinate the best response possible during this difficult time. We want to share the survey results with you. To access the Network Pulse Survey Summary [click here](#).

**Got Banana Boxes?**

CTFB is running low on banana boxes and needs your organization's help. Do you have spare banana boxes your agency is currently not using? Please bring them to your next order pick-up or give them to the driver at your upcoming delivery. These boxes are constantly cycled through the network and are an

important tool for us to be able to sort and process donated product. Any assistance you can provide helping us keep these boxes coming back is always appreciated.

### **Important Dates:**

#### **Save the Date: July 25 - Saturday Pick-Up Opportunity**

Because of the great response at last month's Saturday pick-up, CTFB is hosting another special weekend pick-up opportunity for agencies on July 25. Appointment spots are limited and requests will be accepted on a first-come, first-served basis. Please stay tuned for more details in our email blast coming next week.
