

February 9, 2021

This message is being sent to all members of the Central Texas Food Bank Partner Agency network.

Banana Boxes

The Food Bank is now accepting returned banana boxes! Please bring these boxes back to the Food Bank when you pick up your order or give them to the Food Bank drivers at your next delivery.

Retail Crates Return

Our Food Sourcing Team would like to remind you to please make sure to return all plastic bins to the proper retail donors as they accumulate. In this [PDF](#) you will see sample pictures of the bins you receive and the stores where they should be returned. Your nearest retailer should be willing to take returns of these items, regardless of if you received them via CTFB or from the store directly.

If you have any questions or concerns please reach out to your Agency Relations Specialist or email agencies@centraltexasfoodbank.org. We appreciate your help in remaining complaint with this important requirement from our retail donors. Please share this information with all staff and volunteers at your agency.
