

Partner Agency Announcement

INCLEMENT WEATHER

Attention Partners: The Food Bank is currently without power or access to email. We are working with local officials to restore power to the building as soon as possible.

We are assessing our operational capacity to support orders that have been placed for Friday 2/3. When operations resume, we anticipate having extra perishable product due to a surplus in donated product. If you would like to receive an additional delivery, please fill out [this form](#).

If you are in urgent need of a food order, or if your agency is currently closed for services due to this weather event, please text Network Services Director, Kara Hedlund at (737) 212-4035.
